QUESTIONS for TEXT Chapter 9

October 27, 2010

Due: Thursday, October 28 at 10:00am, 200 Deschutes

Answer the following questions with at least a paragraph. Be precise and succinct in your answers.
Make two copies: Turn in one copy to Prof. Douglas at beginning of the class; keep the second one for discussion.

1. What are research questions you can ask about threaded networks?

2. How do you analyze a threaded conversation as a social network? Be specific.

3. What is a social role? What is a social role metric?

4. How do you find a new community administrator?
