CIS170 - Assignment 2  
Due 7/1 by 11 pm

(10 points) 1. Create a web page that resides remotely within your UOregon account.

(3 points) 2. Upload a picture of you to your UO directory and use it in the webpage.

(3 points) 3. Create a table in your web page.

(3 points) 4. Give your webpage a title in the <head> section and use <h2> in the body to make that title the first "header" line of your webpage.

(3 points) 5. Put a link inside the table that routes users to your blog.

(3 points) 6. Create an unordered list outside of the table that lists some (5) of the important pieces of Internet history from chapter 3. See book or reference slides.
