(which means submitted by 6am on April 5\textsuperscript{th}, 2014)
Worth 2\% of your grade

Assignment:
  
  1) On a Unix platform (including Mac), use an editor (vi, emacs, other) to write a
      500 word “essay”
      
      a. The purpose of the essay is to practice using an editor.
         i. Grammar will not be graded
      b. I would like to learn more about what you know about C and want
         from this class ... I recommend you each write about that.
