Spring ’15 CIS 407/507 Project Retrospective – 100/100 points – Due Friday, 6/5, 11:59 PM

Write a document (.pdf or .txt only) describing your final progress on your project. Indicate whether or not you your term goals were met, how you feel about those goals in retrospect, particular obstacles that you needed to (or were unable to) overcome, etc. Include screenshots and/or movies if relevant!

Include a link to your project’s version-control page in your document.

Each team member must submit a document to Canvas for credit.

Upload your document to Canvas (see Assignments section for submission link).

OR...

Present your project in class on Wednesday, 6/3, and you don’t need to turn in a retrospective document!
