CIS 621 Algorithms and Complexity
Winter 2017

Assignment 1

due Monday, January 23, 2017

• Handwritten solutions are acceptable if very neat, but it is preferable to type up your solution (\LaTeX recommended).

• Justification (in the logical rather than typesetting sense) for your answers is an important part of the problem.

1. exercise 7, p 26
2. exercise 6, pp 68-69
3. exercise 4, pp 107-108
