CIS 610 Teaching Effectiveness
Fall 2020 Week 7

Agenda

**Check in** – what is happening/how to handle now/how to prevent
[open discussion][go around]

How can we make the lab or discussion more active if some students are not so cooperative? Maybe they are not so into this class or they are in a bad mood today, whatever, they just sit and stare at you and do nothing.

**Logistics**

Practice lesson (10-15 minutes). Week 8, 9, 10 available.

Projects.

Assignment due Thursday at noon this week.

**Topic 1** – How to Speak, Patrick Winston (video)
[Discussion – 1 to 10 / then, “one of the most useful techniques I could take away from the talk...”]
