CIS 621 Algorithms and Complexity
Winter 2020

Assignment 1

due Wednesday, January 22, 2020

- Handwritten solutions are acceptable if very neat, but it is preferable to type up your solution (LaTeX recommended).
- Justification (in the logical rather than typesetting sense) for your answers is an important part of the problem.

1. exercise 6, pp 25-26
2. exercise 8, pp 69-70
3. exercise 4, pp 107-108
4. exercise 11, pp 111-112
